OUR PHILOSOPHY

OUR PROMISE

MEET THE ARTIST

I am a Professional Photographer and an accredited member of the Irish Professional Photographers Association (IPPVA). Born in Dublin, I moved with my family to the UK and completed most of my education in Scotland. On returning to Dublin I finished my secondary education and obtained a First Class Honours Business Degree from UCD.

I worked in the fashion industry for 16 years. My work there allowed me to travel extensively on buying trips to London and Paris Fashion Weeks as well as directly to some of Europe's most exclusive fashion houses.

I opened my first dedicated Portrait Studio in 2015, and moved to my current studio in the outskirts of Greystones in the quiet village of Killincarrig in 2018. I specialise in Newborn, Baby, Child and Family Photography. I also shoot Weddings and Personal Branding Photography.

Sheena

★★★★★

Sheena is a master of her craft. We recently had our family portraits done with two toddlers and the hardest part of the process was trying to decide which of the many amazing pics to print! She captured personalities perfectly and I would recommend you check her out if you have any special occasions you're looking to capture.

FAQ

How far in advance should I book my session?

We recommend booking as early as possible to secure your preferred date, especially for newborn and maternity sessions. Family and milestone shoots can be planned around your schedule.

What should we wear for the photoshoot?

We'll provide styling guidance before your session to help you choose outfits that complement each other and photograph beautifully. Neutral tones and simple textures work best, keeping the focus on you and your connections.

When will we receive our photographs?

Around a week after your session, you'll return to the studio for your viewing appointment. From there, your chosen products are handcrafted and delivered within 4–6 weeks.

Are Payment Plans Available?

To make the process easier, we offer flexible payment plans, allowing you to split your balance into manageable payments after choosing your products.

How Will My Images Be Used or Shared?

Your privacy is paramount. Before your session, you'll have the opportunity to specify your privacy preferences in the session contract, ensuring your images are shared only if and how you wish.

“We had the most amazing experience”

We had the most amazing experience getting our newborn photoshoot with Sheena. Being new parents, we had no idea what to expect and how our baby would cope, but from the moment we stepped into her studio, Sheena made us feel so comfortable. Sheena was incredible with our son, ensuring that he was comfortable and happy at all times.

The whole experience from the photoshoot to selecting which images we wanted was amazing from start to finish. I would highly recommend Sheena to any new or existing parents, she really was amazing to work with!
